

ANNUAL REPORT
June 2021- December 2022

Progress and development

1. Professionalise lacrosse clubs and the NLB

- **Core services were updated**
insurance, bookkeeping, league administration
- **Successful introduction of League Master (LM)**
All player administration was successfully transferred to LM. As of September 2022 all game administration is also done through LM.
- **Communication with clubs was improved**
More and more clubs actively reach out to the NLB with questions and requests for help.
- **Topsport player committee established**

2. Form partnerships

- **Formalised partnership Doping Authority established**
With a formalised partnership and integration thereof in the Articles of Association the NLB is now well equipped to deal with any issues regarding doping. National team players receive a dedicated training regarding the responsibilities they carry therein.
- **League Master Partnership in progress**
A successful partnership with Germany, Belgium and through funding of World Lacrosse we have transferred league and membership administration to LM. Further improvement and roll out of LM will follow soon.
- **Sponsorship agreement with NutriSense extended for 2023 and 2024**

3. *Grow the game*

- **Valuable players are celebrated in All-Division Teams**
All-Division Players are selected and elected by clubs and players. Their importance to the sport goes beyond good play, and includes leadership to other players as well as representation of the sport to others
- **Youth lacrosse subsidy introduced**
All youth teams can now count on extra NLB support in establishing and supporting their team and staff.

	2020	2021	2022
Members	871	897	676

4. Improve the level of play

- **Evaluation Coaches Portal**

Use of the coaches portal had not been as frequent as expected. The coaches portal will remain live as the format is re-evaluated.

- **New Officials payment structure and website delivered**

Officials can now (re)certify online. Also players can follow a free online introductory rules course.

- **Introduction of Youth Sixes**

The Sixes rules were adapted to suit the needs of our youth competition. After a testing phase the Youth Sixes rules were introduced to the youth league.

* All board members were appointed under the old articles of association, which prescribed a term of 24 months.

Code of Good Sports Governance

Every year the NLB board completes the NOC* NSF self scan on the Code of Good Sports Governance. Based on this year's scan and discussion the board reaches the following conclusions:

TIPS

- Improve and clarify procedures on integrity and complaints
- Establish clear policy on diversity and inclusion and a safe atmosphere in the broadest sense of the word

TOPS

- NLB has published all required documents and regulations on its website
- The board has open conversation with its members regarding (future) policy
- The board reflects on its results based on the voted upon goals and targets.

Special thanks to

All members of the executive committee 2021-2022:
