## **FAQ (Frequently Asked Questions)**

*If I am not a member will I still get the same level of training?*

You bet you will! Every camp we aim to push every player to their potential.

*I'm not an Elite player.... Should I still become a member?*

Absolutely. We want to help you become a stronger and smarter player. We believe that the only way to do so is to compete at the international level.

Challenge yourself, join us!

*I'm am not a member, can I still come to Elite Camp?*

Unfortunately, you need to be a member to participate in Elite Camps. You and a coach may negotiate one training at Elite camp to determine the fit, and see if you would like to become a member and continue playing at that level.

*How long does my membership last?*

For all of 2017-2018! From the time you buy it till the summer of 2018.

*What if I join later, will the price be less?*

Sorry, the price is set based on what you get... If you want to join later it will still be the same price.

*Can I come to a scrimmage if I am not a member?*

Sorry, we are saving those opportunities for girls who are members. Join as a member, and come on out!

*I already want to let you know I want to Try-out for the European Championship, how and what do I have to do?*

This is great news! As soon as we have more information about the selection procedure, we will let you know.
